**Approval and Promulgation of State Implementation Plans: Idaho**

**AGENCY:** Environmental Protection Agency (EPA).

**ACTION:** Proposed rule, correction.

**SUMMARY:** The EPA proposes to correct EPA's announcement of the boundary of the Power-Bannock Counties PM-10

nonattainment area (particulate matter with an aerodynamic diameter less than or equal to a nominal 10 micrometers) in the State of Idaho to exclude that portion east of the Inkom Gap, a geographic feature separating the Inkom area from the rest of the nonattainment area. In the Final Rules Section of this Federal Register, the EPA is approving the State's SIP revision as a direct final rule without prior proposal because the Agency views this as a noncontroversial revision amendment and anticipates no adverse comments. A detailed rationale for the approval is set forth in the direct final rule. If no adverse comments are received in response to this proposed rule, no further activity is contemplated in relation to this rule. If the EPA receives adverse comments, the direct final rule will be withdrawn and all public comments received will be addressed in a subsequent final rule based on this proposed rule. The EPA will not institute a second comment period on this action.

**DATES:** Comments on this proposed rule must be received in writing by July 12, 1996.

**ADDRESSES:** Written comments should be addressed to Steven K. Body, Office of Air Quality, at the EPA Regional Office listed below. **SUMMARY:** NMFS proposes to delay from August 15 to September 1 of each fishing year, the opening of the second (non-roe) directed fishing season for pollock in the Bering Sea and Aleutian Islands management area (BSAI). This action is necessary to allow some pollock processor vessels and shoreside processing plants to more fully realize potential salmon processing opportunities, particularly for late-run pink salmon. This action is intended to further the objectives of the Fishery Management Plan for the Groundfish Fishery of the Bering Sea and Aleutian Island Area (FMP).

**DATES:** Comments must be received by July 8, 1996.

**ADDRESSES:** Comments may be sent to Ronald J. Berg, Chief, Fisheries Management Division, Alaska Region, NMFS, P.O. Box 21668, Juneau, AK 99802, Attn: Lori Gravel or delivered to the Federal Building, 709 West 9th Street, Juneau, AK.
